Risktec's London office is based at 3 More London in the London Bridge area by City Hall.

When arriving at 3 More London check in at reception and state that you are visiting the Regus offices on the 1st floor. Take the lifts to the 1st floor and then enter the Regus reception and ask for Risktec. You will then be collected from reception.

By Train or Underground

The nearest mainline and underground station is London Bridge. Exit the station using the Tooley street exit and turn right, travelling down the road for 200 yards. Turn left when you enter the More London complex and follow the footpath/stream to the riverside where you will then see 3 More London on your right.
